SPORTS LEAGUE CONFIGURATIONS for 2010-2014

The Camino Del Rey Association represents the Camino Real and Del Rey Leagues. Within this association, every two years the top team from the Camino Real League will move to the Del Rey League and the bottom team from the Del Rey League will move to the Camino Real League for competitive equity with the exception of football. The football league is independent of the association and thus will remain intact from 2010-2014.
