

BMHS Prime Parking Space

It's no secret...

any student parking space on the BMHS campus is a hot commodity!

Parking on the first level? Even hotter!

Don't let your student worry another minute about having to hoof it in from Henrietta or descend flights of stairs from the third level. Be the winning bidder and your student-- sophomore, junior or senior-- will choose where he or she parks for the entire 2010-2011 school year!
