For the school to be effective with the student it is essential that a spirit of cooperation, trust and support exist between the school and the parent. It is for this reason that we ask the family to become familiar with the philosophy, policies and procedures developed and enforced by Bishop Montgomery High School.

It may sometimes happen that a family cannot be supportive of the school and its philosophy, policies and procedures. Should a manifest lack of agreement reach the point where the school judges that the necessary and appropriate relationship no longer exists, the family will be asked to withdraw the student from the school.

We agree to abide by all rules and regulations of Bishop Montgomery High School both stated and implied. We also understand that the principal has the right to amend rules and regulations as necessary during the school year.

We, the undersigned, have read and understand the contents of the Parent-Student Handbook. Please return this contract by Friday, August 31, 2007.
