

Dear Parents,

In conjunction with the Traffic Division of the Torrance Police Department, Bishop Montgomery HS has developed Student Drop-off and Pick-up procedures. This was done in order to increase pedestrian and vehicular safety as well as to accommodate the traffic flow on Torrance Blvd for our neighboring communities and local businesses. These Procedures were recommended for implementation by the Traffic Division of the Torrance Police Department. Please remember that the Student Drop-off and Pick-up procedures are in effect. Students are responsible informing their parents/guardians/carpool drivers of the drop-off/pick-up procedures. Failure to comply with procedures may result in a disciplinary violation. Your full cooperation in this matter will be appreciated.

Sincerely,

José Pedroza
Assistant Principal
