Publication Services

I understand that from time to time the school may wish to publish examples of student projects, photographs of students, and other work on an Internet accessible World Wide Web server. Student photographs may be published in a school ad. Student projects, photographs, and other work posted on the Internet will include only the student's first name initial and last name.

I specifically acknowledge that our school's web site content is not private and can be reviewed, copied, downloaded and transmitted by anyone with access to the Internet and that the school has no control over this. I hereby waive, release, and forever discharge any and all claims, demands or causes of action against the school and its faculty, staff, employees, agents, contractors, and any other person, organization or entity assisting them in connection with the posting of information on the web site for damages or injuries in any web related to, connected to, or arising from the publishing or posting of information on the school's Internet web site or the use of that information and expressly assume the risk of any injury or damage resulting from said posting of information on the web site.

I further understand and agree that this authorization remains in effect until such time as it is withdrawn in writing. I understand that if I change my mind relating to this authorization, that I will submit another authorization form to the school.
